

HEALTH ADVOCATE

Leverage Our Preferred Pricing

Health Advocate is the nation's leading advocacy and assistance program which now serves more than 6 million Americans with their unique service.

This service is designed to help groups and their employees better navigate the healthcare and insurance systems. In today's HIPAA compliant environment, Health Advocate allows brokers to focus on sales rather than the expense of hiring and training a customer support staff.

Health Advocate Helps To:

- » Find the best doctors and healthcare providers
- » Schedule appointments with hard to reach specialists
- » Resolve insurance claims issues
- » Work with healthcare providers and insurance companies
- » Assist with eldercare and Medicare issues
- » Answer questions about test results and related healthcare questions
- » Obtain unbiased health information
- » Assist in the transfer of medical records
- » Locate and research the newest medical treatments
- » Protect confidentiality of healthcare information

Employers Benefit By:

- » Enhances in workplace productivity
- » Reduction in medical claims and costs
- » Promotion of employee satisfaction and retention
- » Support of employee recruitment

Expanded Eligibility

When the employee receives Health Advocate, their spouse, dependent children and even the employee's parents and parents-in-laws are eligible to utilize the Health Advocate system.

Personalized Service

Each plan member is able to talk to their own Personal Health Advocate who is available on an ongoing basis to assist with resolving issues and providing support. Health Advocate is available 24 hours a day, 7 days a week through a toll free phone number.
